

Serial No. 10/510,378  
DRAWING AMENDMENT UNDER 37 C.F.R. 1.312  
Docket No. 903.0002

**Amendments to the Drawings**

The attached sheet of drawings includes changes to FIG. 2. In particular, pump “12” is relabeled as pump “15”.

Attachment:

Replacement Sheet for FIG. 2

**REMARKS**

By this Drawing Amendment, FIG. 2 is amended.

It was brought to Applicant's representative's attention in an August 21, 2007 telephone conference with Examiner Bhisma Mehta that pump 12 in FIG. 2 was incorrectly labeled, as reference numeral 12 already exists in FIG. 6. Accordingly, it was agreed during the telephone conference to amend FIG. 2 to show pump "15". FIG. 2 is amended accordingly.

If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,

/Warren A. Zitlau/
